EDUCATION

Hobart and William Smith Colleges (HWS), Geneva, NY

Anticipated May 2026

Bachelor of Science: Computer Science

GPA: 3.4

Minor: Data Analytics

Yonsei University, Seoul, South Korea

February 2025 – July 2025

Study Abroad Program

RELEVANT COURSEWORK

Data Visualization, Math Foundations for Data Analysis, Intro to Data Analysis, Data Structures and Algorithm, Software Development, Intermediate Programming

SKILLS

Programming Languages: Python, SQL, R, Java, HTML, CSS, JavaScript (React and React Native)

Data Analysis & Visualization: Python (Pandas, NumPy, Matplotlib, Seaborn), R (ggplot2, dplyr)

Geospatial Analysis: ArcGIS (ArcGIS Online, Experience Builder, Survey 123), Python (GeoPandas, Folium)

RELEVANT EXPERIENCE

HWS IT Services, *GIS Intern*, Geneva, NY

August 2024 – December 2024

- Created interactive dashboard using ArcGIS to summarize technological resources and capabilities of all buildings on the HWS campus to support IT and renovation work across campus.
- Communicated with IT departments to determine what information should be included in the dashboard.
- Collected and organized data describing technology in 17 campus buildings using survey 123.

Independent Study: Creation of an application using React Native

September 2023 – February 2024

- Developed a React Native mobile app for task management, allowing users to create, edit, delete, and complete tasks.
- Utilized React Context to manage global state, ensuring consistent task data across the app.
- Integrated local storage using AsyncStorage to persist tasks across app sessions, providing users with data retention.

ADDITIONAL EXPERIENCE

HWS IT Services, Geneva, NY

February 2023 - Present

Lead Student Technician

May 2024 – Present

- Supervise and coordinate IT student workers, ensuring efficient allocation of tasks and timely resolution of IT requests.
- Act as the primary point of contact for escalated issues, guiding team members in resolving complex technical issues.

Student Technician

February 2023 – May 2024

- Successfully resolved over 100 tickets, providing timely solutions to the members of the HWS community.
- Demonstrated technical expertise in diagnosing and troubleshooting hardware and software issues.

HWS Higher Education Opportunity Program, Tutor, Geneva, NY

February 2024 – Present

- Provide personalized tutoring sessions to students in Computer Science and Math targeting individual learning needs.
- Use effective communication and interpersonal skills to explain complex concepts and ensure student comprehension.

Emascotec, Repair Technician, Bronx, NY

August 2018 - August 2022

- Diagnosed and repaired electronic devices, including smartphones, laptops, tablets, and other consumer electronics.
- Performed hardware replacements, software troubleshooting, and system upgrades to restore functionality and extend device lifespan.
- Supported day-to-day operations by training new employees and handling vendor communications.

AWARDS & HONORS

HWS Dean's List

Fall 2023

HWS Charter Day Award (nominated for excellence on campus)

April 2023

EXTRACURRICULAR INVOLVEMENT

Tech Club, Soccer Club, Astronomy Club, Model African Union
